The Latest Book from Bestselling Minecraft Author Brock Netherward! Ever want to run away from home? Well, after this Minecraft story, you might think twice! “Stories from the Skylands” follows Rozzie and Greyson, two Minecraft friends who trick their parents into letting them run away from home and search for treasure. After following a friend’s advice, they travel to the top of Shell Mountain in search of the fabled secret treasure. Little did they know, they’d be transported into a strange, crazy world – the treacherous Skylands! Filled with floating islands, weird creatures and dangerous obstacles, the Skylands make Rozzie and Greyson wish they were back at home under the covers! Follow our two heroes as they battle the Skylands and try to make it home! Stories in the Skylands is a 20,000 word children’s novel, a Minecraft book for Minecraft fans. The book is great for kids who are looking for something stimulating and constructive to read. The book includes a number of important central themes: Friendship – The two main characters’ friendship strengthens throughout the story Teamwork – When Rozzie and Greyson must partake in an epic battle, they need to use teamwork to survive.

They also see how difficult it gets when they are separated and can’t use each other’s strengths. Values – Rozzie gets into trouble when she sets out on an adventure strictly for monetary gain. This Minecraft book is perfect for ages 4 and up. Children who love Minecraft stories will LOVE this book!
