The most hated villain Yvonna Harris is back! And worse than ever before! On a mission, and fresh out of the mental institution, Yvonna returns to Washington DC, to finish what she started. Forcing Treyana to help her, she wastes no time getting down to business. Everything seems to be going as planned, that is until you remember that in *Shty List*, nothing is, as it seems. With the help of Ming Chi, a nail designer and personal friend, Yvonna discovers some new things about herself and even brings her new boyfriend Bradshaw along for the ride. Soon everything in control, goes out of control, when Yvonna's name unexpectedly makes it on several hate lists. *Hate List 2*, explodes with drama, violence, humor, sexuality and suspense.
