Rafe and Rowan's Story Rowan grew up believing she was an outcast, but found her place in the world nonetheless. Or so she believed. Her unusual features attract a very unusual and attractive man when she's in a night club looking for a new sexual diversion.

What she doesn't know is that this man knows more about her than she knows herself—he knows what she really is.

She falls in love with him in the process of opening her eyes to the world she really belongs in.

But his love may not be enough to make her stay.
