Electa Rome Parks-acclaimed author of *Almost Doesn't Count*, *The Ties that Bind*, and *Loose Ends*-now explores the bonds among four women and the secret confessions that could put their friendship at risk. Lexie, Meshell, Tonya, and Tracee are single and successful best friends. Devoted to each other since college, they've bonded over a monthly ritual to regroup and keep it real. With a little wine, drama, and laughs, they discuss their dreams, betrayals, families, and without a doubt, the men in their lives that come and go. But tonight, ladies' night out arrives with a twist- and a revelation that could threaten a longstanding friendship or bring four women closer to understanding themselves, their men, and their secret passions than ever before.
