Clemente – Desperate, on the run for his life in the streets of Barcelona. What does a biker have to do to get back to his club in Paris? Hold a college girl hostage on the night train to Paris, of course. But who is really the captive? Callie – Sweet, innocent Callie, on her first trip away from home... She's having the worst day. Her friends have run off and now she's being held hostage in her first class berth by a dangerous man with a gun... From the mean streets of Barcelona to winding roads of Paris, get lost in the brutal world of Enfer's Vengeance and the women they love. Recommended for readers 18 and older due to strong language, sexual situations and violence.
