Selected Poetry 1990 - 2010 Selections from Brown Dirt Boy, Poetics and Life the Universe & Everything with poems ranging from intimate personal confessions to horror, knee-slapping (or is that poet-slapping) humor and maybe even a "moon" poem. Available from Amazon.com 58 pages Sample short poem: Cat Logic  
The silly cat (Dusty by name) begs to go outside I tell her she won't like it 'cause it's 10 degrees below okay then I say with a smirk on my face and open the front door a crack she edges forward stretching her neck as far as physics allows she shivers and shakes and jumps back inside a growl of disgust escapes her throat clearly the fault is mine next thing I know she's at the back door begging just to go
