Guide to Beading with a Loom is a comprehensive introduction to this popular beading technique. This book includes all the information needed for beginners including information about looms, supplies and techniques and is packed with photos and illustrations to provide maximum understanding. The twenty projects will build and advance your skills and knowledge. Plus there are numerous project variations to stimulate your own creativity. Advanced beaders familiar with loom beading will also find wonderful techniques and information on non-traditional techniques including many projects. This is a resource book every beader needs in their library.
