Miss Ophelia Flax is a Victorian actress who knows all about making quick changes and even quicker exits.

But to solve a fairy-tale crime in the haunted Black Forest, she'll need more than a bit of charm... 1867: After being fired from her latest variety hall engagement, Ophelia acts her way into a lady's maid position for a crass American millionaire.

But when her new job whisks her off to a foreboding castle straight out of a Grimm tale, she begins to wonder if her fast-talking ways might have been too hasty. The vast grounds contain the suspected remains of Snow White's cottage, along with a disturbing dwarf skeleton. And when her millionaire boss turns up dead—poisoned by an apple—the fantastic setting turns into a once upon a crime scene. To keep from rising to the top of the suspect list, Ophelia fights through a bramble of elegant lies, sinister folklore, and price treasure, with only a dashing but mysterious scholar as her ally. And as the clock ticks towards midnight, she'll have to break a cunning killer's spell before her own time runs out...
