Stonewall Kitchen shows how to celebrate in style with these 50 tantalizing recipes for holiday entertaining. Take your turkey from traditional to modern by adding an updated side dish to your Thanksgiving menu, like Mashed Parsnips and Pears or Sautéed Brussels Sprouts with Nutmeg-Cardamom Cream and Pancetta Breadcrumbs. The happiest Chanukah starts with a slow-roasted Brisket with Winter Vegetables, while Curried Maple Pecans and Indian-Spiced Meatballs with Yogurt and Mango Chutney will be the highlight of any holiday open house. And a cozy night by the fire is even better with a heartwarming bowl of Osso Buco with Orange Gremolata. Seasonal assistance comes in the form of a selection of very merry desserts, instant appetizers for last-minute get-togethers, and suggestions for turning many of the recipes into tasty gifts for loved ones.
