This volume is a resource for teachers, administrators, board members and all who are engaged in Lasallian educational ministries today. It reflects on the life and times of De La Salle and the early Institute and their significance in today's educational world. There are questions at the end of each chapter along with a description of the Lasallian School as found in the tradition. The book contains an extensive annotated bibliography of Lasallian resources as well as a glossary of Lasallian terms.

A model Lasallian Mission and Vision Statement gives any Lasallian group an excellent example of such statements
