Jack Burns is an ordinary bloke with an ordinary job in a big bank. His simple dream is to get a flat with his girlfriend and help her become the great actress he knows she really is.

One day he stumbles on a chance to do just that, but his plan goes hopely wrong impacting Jack and his friends in ways he would never have imagined. This is the funny and moving story of Jack Burns, an ordinary man, who aspires to a better life for himself and his girlfriend, Hannah. One day he finds out that his friend Peter has secretly won the lottery and is going to share the winnings with his ten best friends. Jack embarks on a clandestine plan to become one of those ten so that he can get the money to help achieve his, and Hannah's, dreams.
