B YOU BOYS chronicles the incredible 1984 season of the Detroit Tigers--from opening day, to clinching the American League East Division, to winning the American Pennant, straight through to beating the San Diego Padres in five games to become the 1984 World Champions. Sparky Anderson, the Tigers' colorful manager and 1984 American League Manager of the Year, tells all in this, his day-by-day diary of the making of a championship ball club.
