If you love rummaging through markets for unusual fabrics, and can't pass an antique or second-hand shop without popping in, *Bazaar Style* is for you. Stylist Selina Lake and experienced interiors writer Joanna Simmons show you real homes furnished with intriguing pieces from different eras and cultures, which mix and match colors, patterns, and design. You'll discover an inspiring mix of vintage and retro influences, flea-market finds, and pieces inspired by a French brocante or Moroccan bazaar. You can also use these pieces to customize chainstore basic buys such as a plain sofa or new bed. Selina and Joanna explain elements such as Furniture, Textiles, Lighting, Accessories, Display, and Color, then they show you how a particular style works in Kitchens, Living Rooms, Bedrooms, Bathrooms, and Home Offices. ð¸ Inspiring photographs by Debi Treloar. ð¸ The perfect gift for those who like to mix vintage and retro styles.
