Sometimes I Lie and Everything but the Truth 2 Books Bundle Collection - A psychological thriller with a killer twist you'll never forget. Description:- Brazil Brazil is one of the four new global super powers with its vast natural resources and burgeoning industries. Half a continent in size and a potent mix of races, religions and cultures, of unexplored wildernesses and bustling modern cities, it is also one of the few countries Michael Palin has never fully travelled. With the next Olympics to be held in Rio in 2016 and the World Cup in Brazil in 2014, international attention will be on Brazil as never before. Michael Palin's timely book and series take a closer look at a remarkable new force on the world scene.

From the Venezuelan border and the forests of the Lost World where he encounters the Yanomami tribe and their ongoing territorial war with the gold miners, Michael Palin explores this vast and disparate nation in his inimitable way. He journeys into the heart of the Amazon rainforest. He travels down the North-East coast to meet the descendents of African slaves with their vibrant culture of rituals, festivals and music. He visits the shanty towns of Rio and the beaches of Copacabana and Ipanema. Brazilian Food Brazil is a vast country with a cornucopia of fabulous ingredients and a wealth of ethnic culinary influences; the result is one of the most exciting cuisines in the world.

In this ground-breaking book, acclaimed young chef Thiago Castanho and internationally respected food writer Luciana Bianchi explore the best of Brazilian food and its traditions with more than 100 recipes that you'll want to try at home - wherever you live. This book, now reissued as a stylish jacketed paperback, includes recipes from a team of celebrated 'guest chefs' from all over Brazil, including Roberta Sudbrack, Rodrigo Oliveira and Felipe Rameh.
