Fall in love... Get married... Have babies... Everything is perfect... until it's not. You wake up one day, questioning everything that you knew was true.

Your cloud bursts and all seems to be spinning out of control. How did we get here? What do we do? Where do we go from here? We know we love each other, we know we still want to be together but we want more with each other... in life AND in the bedroom. For us, when all seemed to be hope, Room 208 became therapy of the mind... and between the sheets!
