A classic restored—the complete and unexpurgated text of a great African-American writer's brutal and lyrical novel of prison life. First published in reduced and bowdlerized form in 1952 as *Cast the First Stone*, *Yesterday Will Make You Cry* was Chester Himes's first, most powerful, and autobiographical novel.

This Old School Books edition presents it for the first time precisely as Himes wrote it, a sardonic masterpiece of debasement and transfiguration in an American penitentiary and one of his most enduring literary achievements.
