[Margarita Fischer: A Biography of the Silent Film Star.epub](#)

Born on February 12, 1886, in Iowa, Margaret Fischer made her stage debut at the tender age of eight. Now called Margarita, by 1910, she had embarked on a new and daring occupation - as an actress in the fledgling industry of motion pictures. This biography details Fischer's life and career, examining her work in front of the camera.
