One spur decision to head out of town for a singing competition could change everything for Dean. His world is opened up to new possibilities after he sings in the competition. Will he be brave enough to take a leap and follow his dreams, finding true love along the way, or will he turn his back on happiness and let his love fall away? Colton James Colton has always followed his dreams and he loves playing bass in his band. He thought he had everything he ever wanted until he heard Dean sing. Dean captures his attention right away, and Colton yearns to help him leave behind the mundane life he so despises in search of his dream of making music. Along the way, Colton falls in love with Dean, but will Dean accept his love or be too afraid to take the leap and disappoint his stuffy parents. **AUTHOR'S NOTE:** This is a stand-alone story with an HEA, so no cliff-hangers!
