What would you be willing to give up for family? When faced with complete renal failure and complications from diabetes, D. Frank knew there was only one place to turn: to family. But would his brothers be a match? Would they be willing to make that sacrifice? From their struggles in segregated South Carolina to surviving as a family through the Vietnam War to the medical hardships of diabetes, Brother to Brother is the inspiring story of the life and times of the Waiters family. Kevan and D. Frank Waiters show readers what family means as they overcome some of the most pressing issues of our times.
