If there's one thing Kenisha Lewis has learned, it's that the people you think you know best often surprise you the most. And not always in a good way. It seems the revelations just keep coming. First, her grandmother and her dad are having money troubles, which means she'll probably have to stay in public school and get a part-time job. And then there's her boyfriend, Terrence, who has more secrets than she could have imagined. Kenisha can't believe Terrence is dumb enough to get mixed up in a string of robberies. Or that he'd cheat on her with his old girlfriend. Or could it be that she just doesn't want to admit the truth? Where Kenisha goes, drama follows, but she's getting stronger and smarter every day. And she doesn't plan on getting played again
