From Robin Esrock, author of *The Great Canadian Bucket List*, comes a look at the best that northern Canada has to offer. Having travelled to over one hundred countries on six continents, international travel guru and bestselling author Robin Esrock turns his attention to Canada's three northern territories. Robin set out to personally tick off the one-of-a-kind destinations and activities you must try and can only do in the Yukon, Northwest Territories, and Nunavut. He never expected such a range of experiences, and neither will you: - Dogsledding with a Yukon Quest legend - Watching the Northern Lights - Cruising the Northwest Passage - Camping on an ice floe - Downing a "stiff" drink of the world's most revolting cocktail - Hiking with muskox on the tundra - Snorkelling with beluga whales - Touring Canada's largest National Park - Rafting the Nahanni River Bundled with an extensive, up-to-the-minute companion website, *The Great Northern Canada Bucket List* has the information you'll need to follow in Robin's footsteps.
