He led the opposition for freedom, but he's a slave to her love... Dr.

Ariel Landon is brave, beautiful, and intelligent, but her search for knowledge gets her into trouble. It means everything to her, so when she is abducted by the Verians, she is more concerned about leaving her work unfinished than she is about herself. That is, until she sets eyes on the sexy, powerful man who abducted her. As head of the opposition, Commander Pyre Juno has his hands full. He's strong, strategic, and fear; coveted by both teams. It is his job to do whatever it takes to succeed, but things get complicated when he abducts the human doctor, who, despite it all, can help him get ahead. She awakens a need in him unlike anything he's ever known. It's all he can do to focus on the task at hand. When Ariel is targeted by Pyre's allies in the opposition, things go from bad to worse. Pyre has to make a decision. He may be able to save the human, but saving himself and denying his claim may prove to be more difficult... Pyre (Verian Mates) is the third book in the Verian Mates Standalone series. All books in this page-turning Sci Fi Alien Abduction Romance can be read as standalones, there are no cliffhangers, and happily ever afters are guaranteed! Note: Adults Only!
