When newly minted suburban housewife Chastity Harrison goes to confront her husband of having an affair, she finds him murdered, and herself surrounded by outlaw bikers. But when a rival club arrives at the scene, she meets Chance Parker, president of Mayhem's Shadow. The connection between them both is instant and primal. On the run, she must uncover which forces in her life are with her and which are acting against her while confronting her awakening passions for a man who is oh so completely wrong for her. Hold on tight for a steamy ride.

This novella contains explicit language and adult content.
