Miss Elinor Temple took her responsibilities very seriously So when the Bath Seminary for young ladies closed its doors for good, she took it upon herself to escort young orphan Hester Winton to the home of her guardian, Marcus. But she had never expected to find herself in the middle of a most unsuitable party! It was obvious to Elinor that his Lordship hadn't a clue as to what to do with the young girl. Though when he had the good sense to hire her as Hester's chaperone, she knew he was on the right track. But when she also discovered that her own heart pounded wildly whenever the handsome nobleman entered the room, she knew she had her work cut out for her, resisting his boyish charm!
