When a British heir hunter fails to return home after a trip to Malmö, Inspector Anita Sundström doesn't want to get entangled in a simple missing persons case. She shows a similar reluctance when her ex-husband begs her to find his girlfriend, who seems to have disappeared. But when the mysteries take a sinister turn, Sundström finds herself inextricably involved in both baffling affairs, one of which seems to be connected to a robbery that took place twenty years earlier. As the cases begin to unravel, tragedy awaits the investigating team in the third Anita Sundström Malmö mystery.
