Lady Luck - delves into the lives of creative women from a variety of walks of life. Singers, poets, artists, photographers, fashion designers, jewellery makers and directors unite to chat about their ups and downs, creative journeys and inspiration. Kiwi gals are creative. What makes them get up in the morning? What are the challenges? How do they work best? And what advice do they have for other New Zealand women venturing down the creative path? This book is dedicated to all the creative ladies of New Zealand.
