Sin can't take the sexual tension anymore. What started as a low thrum has become an undeniable drumbeat between her thighs. Only one thing is going to slake her need, and it's in Tate's pants.

He's become more than a musician; he's become her everything. When an afternoon at the pool heats up beyond the Florida sun, Tate must decide if one evening with Sin will be enough. Because he'll do anything to keep from losing her. *** Genre: BBW Rockstar Romance / Erotic Romance, length: 7,480 words.
