Award-winning author Ed Gorman is back with political consultant and troubleshooter Dev Conrad, in this riveting sequel. When Dev Conrad agreed to work with Congresswoman Susan Cooper, member of a prominent political family, he didn't know that the worst threat her reelection campaign would face would come from Cooper herself. The congresswoman has a secret she's not willing to share with Dev, forcing him to follow her the way a detective would.

But the campaign is burdened with other problems as well, starting with the murder of scandal-plagued political consultant Monica Davies. Rumor has it she had some information that would destroy Susan Cooper's campaign. In the wake of another murder, another blackmailer, and two or three suspicious relationships, Dev must figure out who is trying to sabotage the campaign. A rip-roaring ride, Stranglehold will win your vote.
