(Legends of Marithia 3 can be read in its own right or in sequence in the Legends of Marithia series) The glowing stronghold of Marithian resistance, Greenhaven, has been recaptured from the Forces of Darkness in a victory overshadowed by a dark secret's revaluation. Vampire-sorceress Kassina is hell-bent on seeing out the Blood Red Moon prophecy and enact a grim conclusion to the world as they know it. As the realm of the underworld merges with Marithia, the Lord of Darkness, Shindar, is ever closer to marching into Marithia with his army. Prince Vartan must walk his fated path and seek out Talonsphere, the ultimate weapon that will save them all that resides in the elusive location, Daessar. He is aided by the legendary dragons, a woman from the stars, a demon hunter, and a trusted knight. Everything they fought for has led to this moment, and the gods watch from the stars above as the prophecies collide. Who will be left standing?
