Axel Andrews is having a very bad day. He gets passed up for a permanent job, his boyfriend breaks up with him and then kicks Axel out of his own apartment. Needing to release some of the anger inside of him, Axel loses his temper. When he does, something is released inside of him. Knowing he has caused the devastation around him, he runs. When he is found by Cadence. He believes that Axel is the embodiment of King Arthur. Axel will need to trust Cadence if he is to find the strength to save humanity once and for all...
