Bio-Meat: Nectar #6.epub

Man is having a hard time finding food and getting rid of their trash, so science comes up with a bio-engineered animal that survives by eating trash, and is then killed to feed humanity. But the self-replicating, endly hungry killing machine gets loose in Tokyo... Chapter 44: Chase Chapter 45: Margin of Error Chapter 46: Silent Journey Chapter 47: Time Limit Chapter 48: Always the Loser Chapter 49: Final Mission Chapter 50: Coward Chapter 51: Urgency Chapter 52: Lifeline Also known as: □□□□□□□□□ □□□□ Bio Nectar Bio-Meat Bio-Meat: Nectar BioMeat: Nectar BM □□□□□
