In Volume One, you will read about the beginning of the Shaver Mystery and how it attracted thousands of fans who first read about it in the science fiction magazine AMAZING STORIES (circa 1943) even though Richard Shaver and editor Ray Palmer said the things claimed in this work were for REAL! . . Shavers hears the tormented voices coming from below. . . Readers question his sanity when he describes entering the caves of the ancients. . Shaver describes in detail the plunder of our planet by extraterrestrials in ancient times; and the lost continents of Lemuria and Atlantis. . Shaver "proves"
