Her future lay in a romance writer's hands Shelby had rejected a manuscript only to have it top the New York Times Best Seller list for another publisher. And now her star author wanted to quit. Just like that! There was only one thing to do -- beg her reluctant romance author to write again. But how? All Shelby had to go on was a pen name, a Midwest town post-office box and the helping hand of an outrageously handsome local author, Mark Buchanan. There was so little time to unearth her reclusive romance author -- even time for real-life romance. Or so it seemed.
