Nobody understands the issues women face better than dynamic Bible teacher and national speaker Paula White, host of a national television program, who crosses multiracial and gender lines with her messages. Many of these listeners are women who identify with Paula's straight-forward and candid approach as she shares from what she has experienced in life. Her openness, integrity, and honesty are what draw men and women to her. In this book, Paula highlights 10 women in the Bible and shows how God transformed their lives and can transform anyone's life who is seeking Him and the answers he provides throughout Scripture.
