Iris Sandford is a very successful private investigator who brings in big name clients, and keeps affairs out of the public eye. Her clients range from CEOs, professional athletes, models, to the mailman. Business is booming; however, some cases require more attention than others as Iris tries to balance work and her own personal issues. Yet when the scandals hit too close to home can Iris objectively conduct business as usual or get consumed by the drama? Set in the beautiful city of Chicago, Dangerous Indulgences is a tale of love, lust, and seduction told only as Isis could with steamy sex scenes to accompany the plot. It is indeed an exciting read that will touch all of your emotions with its intense, yet fun characters who will live in your head well after you close the book.
