Welcome to the world of the British vampires assassins! Where else can you find fire right beneath the cool surface? British 2-pack contains the following novellas: KNIGHT AFTER NIGHT: Highland Vampire Thoran MacKetryck's lonely.

Bitter. Vengeful. For centuries now, he's taken lives for profit and drained blood for free. Just like always.

But then he's gifted what every immortal craves: his mate. He just can't believe his eyes when he finally hunts her down. ANYONE HERE: Cassandra Braun is a Victorian vampire with a vendetta. There's nothing better than taking from a young male. Virile. In his prime. If he's self-assured and cocky, it's even better. The assignment to investigate Jacob Walsh's enterprise and terminate if necessary is easy money. Until she touches him...
