First published in 1943, Eim HaBanim Semeichah remains the most comprehensive treatise on Eretz Yisrael, redemption, and Jewish unity. Much of this remarkable work has been proven prophetic by the passage of time. It is truly a price treasure. The saintly author, R. Yisachar Shlomo Teichtal, originally shared the prevalent, Orthodox view which discouraged the active return to Zion. The Holocaust, however, profoundly changed his perspective. The annihilation of unprecedented numbers of his fellow Jews forced him to seek explanations. Thus, relying almost exclusively on his phenomenal memory and keen insight, he investigated the matter exhaustively.

His conclusions are eye-opening! The Jewish people will find refuge from their troubles, he argues, only if they unite to rebuild the Land. This will bring about the ultimate redemption.
