“A life-changing story that digs deep into the psychological, and tells us that through all trials and tribulations, there’s a chance for a positive outlook.” –Maxy Awards
Is Allan Vickery alive, or is he dead? After a blow to the head from a golf ball, Vic isn’t certain himself. As it turns out, he’s comatose and the things he learns while unconscious are life-changing when he reawakens. But for a man in mid-life crisis—struggling to keep his marriage alive while attempting to become a recognized painter and still succeed at teaching high school art—his new understanding becomes a volatile accelerant for issues that merely smoldered in the past. In the resulting inferno, Vic finds passion in the arms of a lover and riches in the world of high-stakes golf matches. Whether or not you play golf, you cannot avoid difficult lies in your quest to find the fairway to happiness.
