When you've fancied someone for a long time and finally get into the bedroom with him, things start hotting up! Mandy is known as the girl everyone turns to for a good laugh and some fun, but she's hiding a secret from the friends she usually hangs out with in the local pub, The Rusty Nail. She's fallen for one man in their group, Leon, a sexy-as-sin piece of deliciousness who gives off the impression he's a bit of a rake. Mandy doesn't care—rake or not, she wants him, but the question is, how do you ask a friend out without ruining that friendship? Thanks to a quirk of fate, Mandy is able to become someone else—a wanton sex siren who gives her the confidence to be whoever she wants to be in the bedroom. Leon has no idea about Mandy's desire for him, so in a sexy outfit, stockings and high heels, Mandy's ready to give him the time of his life.
