[Siren Classic ManLove: Erotic Alternative Contemporary Paranormal Romance, shape-shifter, werewolves, M/M, HEA] Thanks to his stolen childhood, werewolf Alpha Nash believes no one will accept a broken Alpha for a mate. He's seen his brothers find their mates but knows the same happiness doesn't apply to him...until a tempting and gorgeous intern, Neil, enters his life. Neil is an intern at Alpha Wrecker's Inc. To get away from his negligent ex, Neil moves to a new town with his daughter. Neil wants a fresh start, but he's having work problems from his abusive superior.

An accident leads him to Nash, the company CEO, who becomes his unexpected savior. It's not just a job Nash offers him.

Neil can tell from the start that Nash is different, that their relationship has the potential to be something more. Both men are afraid to cross that line, but once they take the step forward, sparks are inevitable. Will Nash lower his shields to let one determined human into his heart?
