This is my autobiography which details of how God delivered me from unthinkable circumstance through prayers and unyielding faith in Him! It is uplifting and encouraging, and gives factual evidence of God's ability to give miracles in the midst of adversity. It is one of the most powerful books you will ever read! I wrote this book because one of my sisters asked me, years ago, how did I get out of what I went through. She said that she knew that God took me by the hand and led me out, but that she did not know how! That's when I said in my heart that I was going to write a book to tell all of how God delivered me! God helped me to write and publish this book, and it is one of the most powerful books you will ever read!!
