This 45-card deck, with colorful artwork by Will Worthington, provides additional tree, animal and people cards for nuanced readings. Three different bird cards represent the triple goddess. In-depth descriptions for each card include keywords, divinatory meanings, suggestions for spell use, timing, spiritual messages, dark and light aspects, and affirmations. The illustrated guidebook also presents interpretations based on the phases of the moon and the Wheel of the Year. It includes card spreads and instructions for several different methods of reading with the Celtic Lenormand deck.
