My Chemical Romance was an American alternative rock band from New Jersey, formed in 2001. The band consisted of lead vocalist Gerard Way, guitarists Ray Toro and Frank Iero, and bassist Mikey Way. Shortly after forming, the band signed to Eyeball Records and released their debut album *I Brought You My Bullets, You Brought Me Your Love* in 2002. They signed with Reprise Records the next year and released their major label debut *Three Cheers for Sweet Revenge* in 2004; the album was a commercial success, and was awarded platinum status a little over a year later. The band eclipsed their previous success with their 2006 concept album, *The Black Parade*, which gained generally favorable reviews among music critics. Their fourth and final studio album, *Danger Days: The True Lives of the Fabulous Killjoys*, was released on November 22, 2010, to positive reviews. The band announced its break-up on March 22, 2013. This book is your ultimate resource for My Chemical Romance. Here you will find the most up-to-date information, photos, and much more.
