Wallace Wood fans love his sleek, preternaturally lush art, but they especially love the wonderment of his spectacular science fiction. This highly anticipated mouth-watering collection features over two dozen stories brimming with Wood's meticulously detailed, genre-defining brushwork—all save the one Wood wrote himself on the typewriter of EC editor Al Feldstein. And with titles like "Spawn of Mars," "The Dark Side of the Moon," "A Trip to a Star," "The Invaders," "The Secret of Saturn's Ring," and "The Two-Century Journey," how can you go wrong? This is EC science fiction at its finest. Like every book in the Fantagraphics EC line, *Spawn of Mars and Other Stories* features essays and notes by EC experts on these superbly crafted, classic comic book masterpieces.
