The Business Idea Factory is an effective and easy-to-use system for creating successful business ideas. It is based on 10 years of research into idea-generation techniques used by the world's best scientists, artists, CEOs, entrepreneurs and innovators. The book is entertaining to read, has plenty of stories and offers bits of wisdom necessary to increase the quantity and quality of ideas that you create multiple times. Once you begin applying strategies described in this book, you will create successful business ideas regularly and make your life more adventurous. You will realize that there are few things that can bring as much joy and success in business as the moment when an excellent idea comes to your head.
