Real life is no place for fairy tales... Kristin Hart has romantic notions of Scotland. Yet she never expects to find a real-life Scotsman in her Vermont hometown! Despite her instant connection with him, Malcolm MacDowell isn't the Prince Charming she thought. Because no prince would shut down her factory—the one that means everything to her town.

Really, she has no choice. Kristin hops on the next flight to Edinburgh, determined to convince Malcolm her workplace should remain open. But the distraction of the man is almost too much. Still, the magic of the Highlands makes anything seem possible...even a happily ever after of her own.
