[Siren Sensations: Erotic Consensual BDSM Romance, spanking, belting, sex toys, HEA] Caitlyn King has worked as Luke Martel's right hand for a decade. She's shocked when he announces that the company is being sold.

She's loved him for years and she finally has to accept that he will never see her the same way she sees him. Or does she? Luke Martel has abandonment issues from childhood, so he never lets a woman get close to him, not even Caitlyn. When she refuses his offer to work for him personally after the sale, he feels betrayed and decides to attend the Black Diamond Club's annual charity sub auction for some no strings companionship during a month-long visit to Bora Bora. Two can look for no strings companionship, so Caitlyn signs up for the auction, too. Shocked when he sees Caitlyn on the auction block, Luke outbids his competitors without thinking about what this means. Will his impulsive purchase give them both what they are looking for? \*\* A Siren Erotic Romance
