Dragon warrior Kestrel Grey fought the vampire horde for centuries without suffering an injury, until a devastating battle landed him in the care of empath and healer Sparrow Rose. Curing Kestrel was Sparrow's chance to prove herself "and" save the man she had admired for years--but innocent Sparrow wasn't ready for the powerful desire that overtook them as part of the healing process...and the tender feelings that followed.

But Kestrel was still determined to resume his dangerous mission. Sparrow would do anything to save him--including take him to bed....
