[As American as Mom, Baseball, and Apple Pie: Constructing Community in Contemporary American Horror Fiction.epub](#)

This book does nothing than redefine the very genre of horror fiction, calling into question the usual conventions, motifs, and elements. Unlike many critics of this genre, Linda Holland-Toll sees dis/affirmative horror fiction acting neither to soothe fears nor reduce them to the vicarious “thrills ‘n’ chills” mode, but as intensifying the fears inherent in everyday life.
