The Beals live in an upper middle class neighborhood in the mid 1960's. Frank is a jingle writer who is having more than a little trouble coming up with a shoe polish jingle. Trying to keep up with the neighbor's expensive tastes is a full time job in itself. But when Frank butts heads with a Voodoo practicing Brazilian gardener, he gets much more than he bargains for, especially when he is distracted by all the spells flying back and forth, with a force strong enough to turn his wife into a love-starved siren and his children into well-behaved angels.
